THE RIPLEY FAIR.

Get Ready and Attend the Exhibition One Day at Least.

The great and only Ripley Fair is scheduled to come off this year from Tuesday, August 22nd, to Friday, September 1st.

Surely no Fair, from its able management in conducting affairs and looking attractions, is more popular and generously patronized than Ripley's.

In the show ring, floral hall and innumerable side attractions on the grounds, there is more than enough shown in one day to keep any man, woman or child busy.

One great feature that helps to make this Fair a success is the prompt business method that characterizes the awarding of premiums, all of which are paid in gold before stock leaves the ring.

Parties who make entries for show in any department may depend on the best and fairest of treatment.

The Floral Hall is always the greatest attraction for the ladies attending a Fair and here the aim will be to have such a collection that its former good reputation will go one class higher.

Reserve a date and make it convenient to attend the Ripley Fair one day at least, and doubtless, without any invitation you will attend again.

During the Civil War, as well as in our late War with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene county, Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by J. Jas. Wood & Son, Druggists.

No one knows the unceasing torture, the peculiar and agonizing pain, caused by piles, unless they have suffered from them. Many believe them incurable. This is a mistake. Proper treatment will cure them. Tabler's Buckeye Pile Ointment is an infallible cure. Price, 50 cents in bottles, tubes 75 cents. J. Jas. Wood & Son.

COURT DAY SALES.

An Unusually Large Amount of Stock—Good Prices Prevail.

Advertising pays. And the Board of Trade makes trade.

Yesterday there was more stock on the market than on any previous County Court Day for many years.

Best of all, prices ruled high, and it was noted that sheep, of which there was an unusually large number offered, brought better figures than for a long time.

Desirable cattle went at good figures, and both seller and buyer went away satisfied.

Come again, gentlemen; it will be dollars to you.

AGAINST BILL GOEBEL

Leading Mason Democrats Met Yesterday in This City.

RESOLUTIONS AND DELEGATES.

Pursuant to the call of Major Johnston, Chairman of the State Democratic Executive Committee, a number of representative citizens of Mason county—Democrats who are disgusted with force, fraud and theft—met yesterday afternoon in the Cox Building to organize and to instruct Delegates to the State Convention which meets at Lexington tomorrow.

Mr. James H. Hall was elected Chairman and Mr. Harry C. Curran Secretary.

The following resolutions were adopted: Resolved, That we condemn the methods of William Goebel and his lieutenants at the Louisville Convention by which they secured his nomination for Governor, and as such nomination was secured by fraud and force, therefore we do not recognize the Louisville Convention as being the regular Democratic Convention.

Resolved, That we heartily endorse the resolutions adopted at the conference of Democrats held in Lexington on August 22, 1899.

Resolved, That the Chairman of this Convention be instructed to appoint a Committee to select Delegates to the Democratic State Convention which will meet in Lexington on August 10th, 1899; and said Delegates are hereby instructed to vote for Hon. John Young Brown for Governor and Major P. P. Johnson for Lieutenant-Governor, and on all such other questions as it may seem to them for the best interests of the party.

The Chair appointed a Committee to select Delegates, which reported the following: J. W. Eigin, O. H. P. Thomas, John L. Chamberlain, W. H. Bobb, Robert Marshall, Thomas Y. Nesbitt, Henry W. Ray, John W. Boulden, J. C. Jefferson, Daniel Perrine, Thomas J. Chenoweth, C. C. Dobyns, Joseph D. Peed, Thomas E. Pickett, A. R. Robinson, John Ballenger, Walter Matthews, Hiram P. Chenoweth, A. R. Glascock, S. H. Mitchell, J. B. Noyes, Frank Boyd, R. C. Kirk, Logan Marshall, William Benton, H. E. Gabby, Ernie White, Hui-man Boulden, John Chambers, Charles Sparks, Charles Kennan, James H. Hall, Henry Franklin.

And all other Democrats who will ally themselves with true Democracy.

The meeting then adjourned. From this it appears that there is serious opposition to Mr. Goebel in Mason county.

Biotech and excrecences, which so often annoy people, are simply efforts of nature to throw off impediments to the proper performance of her duties. Herbine will aid and assist nature in her work, and insure a skin clear and beautiful, entirely free from all imperfections. Price 50 cents. J. Jas. Wood & Son.

The will of the late William Bramel was yesterday admitted to record. William P. Bramel was named as Executor, and he qualified with Seldon Bramel surety.

Jallard's Snow Liniment gives instant relief in cases of Bleeding, Burns, Bruises, Scalds, Cuts, etc. Price 25 and 50 cents. J. Jas. Wood Son.

CAN THIS BE SO?

Goebel Charged With Carrying a Dagger During His Campaign.

TIME FOR VOTERS TO REFLECT.

Louisville Dispatch.

THE GOEBEL DAGGER.

Much more appropriate to the Goebel campaign than the Goebel button would be the Goebel dagger.

It has been told in Covington letters to The Dispatch how William Goebel has always gone armed with revolver or outlawed knife in his home town.

At Mayfield on Saturday, standing before a crowd of listeners, Goebel, who insists that he is the Democratic nominee for Governor of Kentucky, threw back his coat and exposed protruding from an inside pocket the handle and hilt of a murderous dagger—long enough to touch the bottom of the coat pocket and to show above it.

The law-abiding and peace-loving citizens of this state fail to know of any necessity for a reputable citizen's practice of going armed to kill. They do not see why a lawyer in his home town must be prepared for bloodshed—why a lawmaker should walk the streets equipped to do murder—why a candidate should be fortified to do personal violence.

Commenting on the Goebel-Sandford tragedy on April 10th, 1893, The Courier-Journal three days later said:

"It would be profitless to moralize over the Covington tragedy. Such barbarism may be expected as long as lawmakers and professedly law-abiding citizens violate the law by walking the streets prepared to do murder; as long as 'politics' is a mania which incites its victims to personal crimination, personal violence."

Goebel the lawmaker violates the law by "walking the streets prepared to do murder," and with him politics seems to be a mania which incites him to "personal crimination, personal vituperation and personal violence."

And yet The Courier-Journal has vowed to elect Goebel Governor of Kentucky.

MURPHY the Jeweler.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. I thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly,

Mrs. George F. Bernick, Liberty, R. I.
